

Abrarul Karim

Professional Goals

I'm interested to build relationship with new people. I have a lot of experience in volunteering work. Hope with my experience and the dedication towards work, I'll able to serve my level best.

What makes me different

I am self-motivated, confident, diligent and intend to achieve the targets I have set for myself. I am a natural team player, I can lead and can be led, depending on the situation. I will use the best of my abilities to work towards the overall objective with high energy and passion.
